PERFORMANCE DEFINED

“People who admire elegant yet dynamic lines, demanding owners who seek perfect balance between comfort and performance, competitors looking for speed and safety, purists valuing attention to detail and clever features have finally found what they were searching for: the new Elan E5. Together with Elan design team we designed a new performance cruiser whose inheritance of twin rudders, hard chines and Elan’s superior VAIL (Vacuum assisted infusion lamination) makes a big step forward in terms of clean and distinctive exterior design, carefully tuned sail plan, welcoming cockpit optimized for shorthanded sailing and interior meeting even most demanding requirements for both comfort and luxury.”

Rob Humphreys

EXTERIOR

The new Elan E5 represents a new direction for Elan Yachts featuring the breath taking design and exciting features such as hard chines, twin rudders and twin wheels with Jeffa steering, state of the art deck equipment positioned for easy short-handed sailing, integrated toerail, flush deck hatches and an optional swim platform just above the waterline, lifting cockpit table and gangway.

Recessed mainsheet traveler for precise trimming.

Folding platform at sea level for enjoyable swimming.

Foot supports for safer steering when heeled.

Deck gear positioning with short handed sailing in mind.

Electric halyard winch option for easier hoisting.

Removable anchor roller and through-deck furler.

Flush hatches for more enjoyment and safety.

Helmsman's bench aft converting into a gangway.

INTERIOR

Below deck the new Elan E5 offers a two or three-cabin layout with the option of one or two heads. The saloon features a spacious and modern design with an innovative flip-up navigation table transforming into a settee or a berth. Cabins are light and airy with three portlights in stern cabins. Elan E5 offers a carefully designed interior with plenty of natural light as well as optional ambient LED strips. There are several different options of furniture wood including the new Fjord Mahogany.

Bright and spacious saloon with optional ambient LED lights for a private atmosphere.

Innovative flip-up navigation table transforming into a settee or a berth.

Elan E5 features a lower companionway for easier access down below, LED overhead lighting and ergonomically positioned handrails.

Fully equipped L-shaped galley will satisfy even the most demanding chefs.

Bright and comfortable forward cabin featuring a double berth and a vanity closet for the ladies, or the option of forward head with a flip-up sink.

Head features plenty of storage space and a separate shower.
