

FREMANTLE

Welcome to Blue HQ's Fremantle Marina. An exclusive destination where quality, convenience, and location come together in the heart of Fremantle.

With nine exclusive pens, discerning boat owners are thrust into a world of lifestyle, luxury and entertainment, with undercover parking, deep draft pens, personal storage sheds, and short jetty access.

It's a decadent, purpose-built facility, catering for boats of up to 40 metres in length.

By securing an exclusive pen, you will have:

- Private gated access
- Undercover parking
- Personal storage shed
- Short jetty distance to pens
- Deep draft pens
- Convenient fueling
- Customer lounge and entertainment deck
- Concierge service
- First right to on-site covered tender storage
- Access to Blue HQ's lifting and maintenance facility

The ultimate marina experience

Upon arriving at Blue HQ, you enter your personalised code at the front gate and head down the driveway into a private, undercover parking bay. Once outside the car, you're just a short walk from both your own private pen, and the luxurious lounge and deck area, which is ideal for meeting or entertaining guests after a day out on the water. The building houses individual storage sheds along with large covered storage for tenders.

A refreshing wind of change

There's a fresh wind blowing through the maritime heart of Fremantle, and with it comes a new benchmark in sophistication and quality. At Blue

HQ, you'll find state of the art services and facilities at your fingertips, whenever the ocean calls.

Whenever the ocean calls, we answer

When it's time to explore, you'll have the support of Blue HQ staff at your disposal; skilled professionals who are there to make your boating experience infinitely more enjoyable. Along with our excellent service, each of the pens is served by a modern floating jetty, which sits inside a protected Fishing Boat Harbour. It means that you have easy access to both the river and the sea.

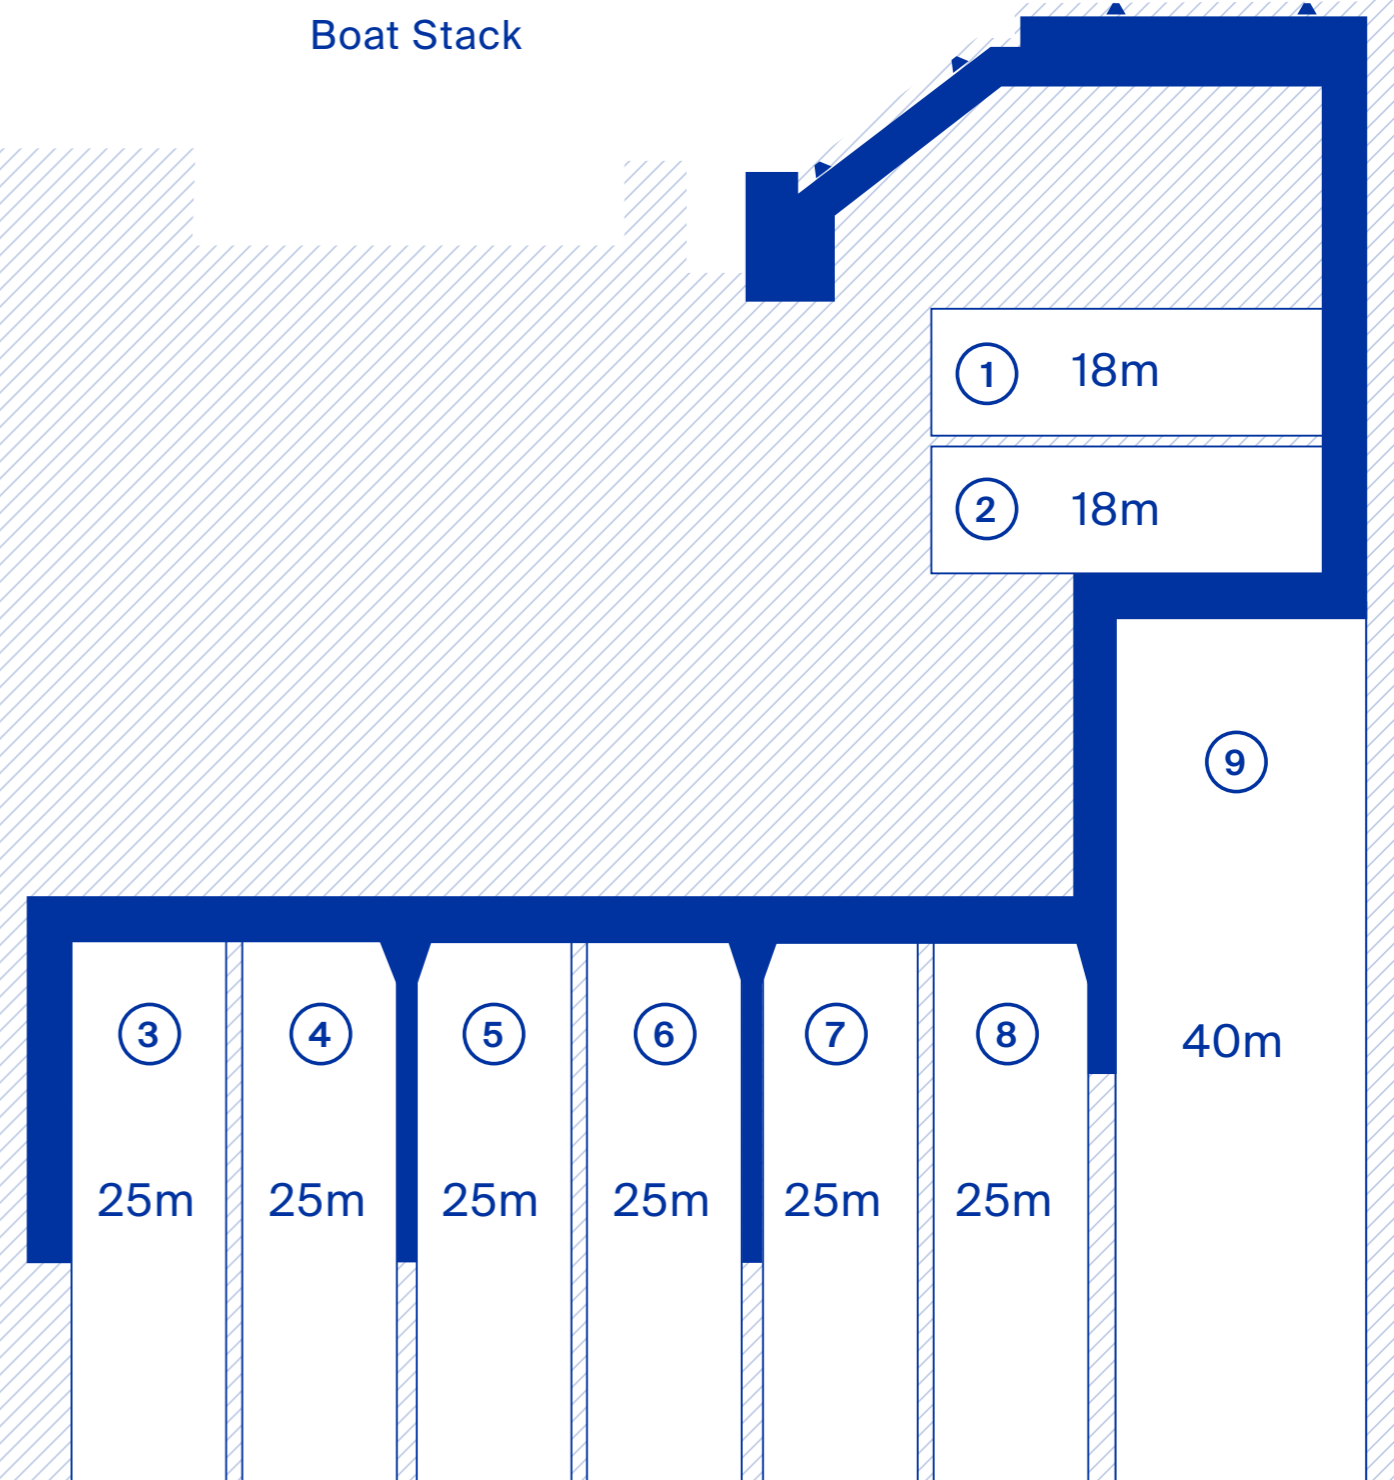

Harbourside

With easy on-site parking, Blue HQ occupies a unique space on the Fremantle foreshore. It is designed with convenience front of mind, just a short way from Fremantle's leading dining and

entertainment precinct, and a range of premium yacht and marine service providers, including fuel, maintenance and cleaning services.
