IMPRESSION

PASSION FOR YACHTING

EXCELLENCE IN DESIGN

The Impression range embodies a true passion for sailing, technological innovations and distinctive design.

Rob Humphreys of Humphreys Design Studio has been working with Impression Yachts for over ten years to design this unique range of Deck Saloon yachts.

Every yacht coming from Elan's 16.000 sq meter facility in Slovenia is the result of our 65-year long passion for building quality yachts.

1

In addition to hand layup Impression uses also VAIL and 3D VAIL technology and its benefits.

2

Latest technologies and modern interior design make Impression Yachts leaders and trend setters in every aspect.

3

Your yacht is built by our highly skilled craftsmen with great care and attention to every detail.

4

We want to make sure that your yacht is in perfect condition when she is delivered to you so every Impression Yacht goes through a testing process in our test tank before departure from the yard.

COMFORT AND SAFETY

Impression Yachts set new standards in quality, comfort and safety onboard. With a raised Deck Saloon they offer the largest volume in class and each model has numerous interior layouts to suit even the most demanding of yachtsmen.

At Impression Yachts we listen to our customers and try to accommodate their wishes to design and build the most comprehensive, quality, cruising Deck Saloon yachts available.

1

DECK SALOON VOLUME

The deck-saloon layout provides extra volume in comparison to traditional designs as a bigger beam is available and put to good use.

DECK SALOON INVERTED

We inverted the layout and put the saloon forward of the companionway, so the social area is located at full beam.

2

SHORT-HANDED SAILING

Short-handed solutions improve the yacht's safety and comfort, easily operated by a limited crew.

3

SELF-TACKING JIB

A comfortable solution, designed for short-handed crews, brings easy manoeuvring in any weather conditions.

4

BATHING PLATFORM

The bathing platform comes in two sizes with the large platform closing the cockpit completely during sailing.

IMPRESSION 45

Impression 45 is in every way an impressive sailing yacht. Developed to satisfy the needs of all family members, it will be a joy for cruising vacations, whether it is the Mediterranean, the Caribbean or on a blue water crossing. Designed to ensure maximum comfort the Impression 45 is a dream to sail as well. Performance has always been a factor with all Impression Yachts and the Impression 45 will not fail to impress.

EXTERIOR

Life is always good aboard the Impression 45. Every detail ensures an enjoyable and safe journey, from the spacious open cockpit with its large seating area all around the cockpit table, to the wide passage way forward where plenty of space for sunbathing awaits. Twin wheels offer excellent steering positions for the helmsman while the wide transom ensures easy access to the bathing platform which is available in two sizes, the larger of which closes the cockpit fully during sailing.
