

Inventory Absolute 70 HT 2009

This very beautiful 2009 Absolute 70 is equipped with 3 cabins and 3 heads. The master stateroom and the VIP are true masterpieces with lounges with sweeping windows creating subtle plays of light. The additional interior spaces reveal a sophisticated focus on interior design: a skilful mix of the finest woods, varnishes, steel and glass brings to life perfect settings for all moments of life on board.

The greatest attention has been paid to the salon area, which merges into the cockpit, creating a single area devoted to entertainment. The undisputed star here is the home theatre system, which includes a large-format screen.

Light is a key aspect of this area: the retractable roof of the salon and the second hard top above the cockpit can be opened to bathe the area in light and give a great sense of spaciousness.
