COMPANY PROFILE

Queensland Yacht Sales started in 2010 and had a great association with David Bray Yachts, after David sold his business QYS decided to break away to concentrate on rebranding under QYS.

This was a difficult decision but one that has benefitted us immensely as we can now offer the exceptional service our clients deserve.

QYS is owned and operated by John Moore. John has a long history of sailing from his days as a Junior Moth champion to owning and racing his yachts up and down the East Coast of Australian and around Moreton Bay.

Hunter 45

Queensland Yacht Sales are very pleased to offer this Hunter 45 Centre Cockpit for sale.

In wonderful condition, big beautiful and comfortable, she is waiting to take you away.

This is the two cabin version with large aft stateroom including Ensuite and a forward cabin with separate head.

A virtually new dodger, Bimini infill and clears keep you dry and protected in all weather conditions, add to this a furling headsail, a main with lazy-jacks, all the instruments and electronics required.

She is a piece of cake to sail even single handed.

Only an inspection will show you the true value of this lovely cruising yacht.
