### **Comments**

A complete refit in 2013 and 2017 Tri-deck Motor Yacht very comfortable for long range cruising and charter as well. Very spacious vessel with 8 separate guest staterooms. She sleeps 16 guests, which is an unique feature for a vessel of 140 feet. The high quality interior with luxurious joinery has all the features you would expect on a yacht of this size including a 50 square meter owner's apartment.
