

“ Rum Doodle II ”

This is what dreams are made of, sailing a short handed, efficient and well set up yacht.

65 ft maybe not your first choice until you go to sea and quickly understand that a big boat in a sea way is the only way to go. Your window of operation is reassuringly greater.

This Macgregor 65 has been set up for shorthanded sailing is in very good condition and equipped for fast world cruising. MacGregor 65's are well noted for being stable, fast and easily sailed.

The owner has continuously maintained this yacht with features that include a reliable 200 hp Volvo Diesel, 7KVA gen set, water maker, excellent galley, instrumentation and electronics.

If you are looking for a fast comfortable cruising yacht that achieves 200 nautical mile days, then please call Colin M : 0419660913

Asking \$249,000.00
