Description

It will be the ultimate feather in your cap to be the new custodian of this beautiful piece of history.

'Kirribilli' is a highly sought-after gentleman's 40-foot cruiser. She was launched in 1967 and for the first 20 years she was the Halvorsen family's private boat.

This vessel is a timeless piece of history that needs to be seen to be believed.

Possibly the best looking and most original 40 ft Viking cruiser ever made.

She has had the benefit of loving owners who have invested many tens of thousands of dollars on her upkeep in recent years. The hull was recently taken back to bare timber and a superb 2 pack paint was professionally applied.

The boat has been constantly upgraded to bring her back to her former glory.

A comprehensive survey conducted in November 2019 is also available for viewing by prospective new custodians.

Some of the great features of the vessel:

- New cockpit covers
- Recently new soft furnishings and carpet
- Recent major service to engines and transmission with only 3 hours since
- Recent expert hull repaint (striped to bare wood and 2 pack paint applied)
- Vessel is powered by Twin Mercruiser MIE 340HP engines.
- Cruising at roughly 12-15 knots using minimal fuel

If you are looking for a timeless piece of history that is the ultimate head turner, be quick and don't miss this incredible opportunity to be the new custodian of 'Kirribilli'.
