Description

French builder Dufour Yachts added this sparkling new 40-footer to its range of Umberto-Felci-designed performance cruisers in late 2009. It was the latest in Dufour's Grand Large (GL) range that comprises seven designs from 32 to 53 feet in length.

The Dufour 405 is well organized, both above and below decks and is easy to handle under sail. A lot of thought has been put into the basic and essential elements of cruising under sail, so she rightly deserves to be popular with coastal and offshore cruisers alike.

"Just Kiddin" has the added bonus of being the highly sought-after Comfort Version, with the Liberty Pack and Safety pack upgrades.

Some of the fantastic features of this awesome vessel include:

- Raymarine Electronics package
- Electrolyte Blocker
- Cogurl 4.5 KVA generator
- Anti-Fouled July 2020
- 60 ltr holding tank with Macerator
- Bow thruster

The Dufour 405 GL is for any yachtsman or woman who understands and appreciates the importance of structural strength and integrity as well as great looks and performance.

Anyone considering a great cruising yacht jam packed with options, look no further and contact us today!
