OTHER FEATURES	
<p>Pilothouse steel ketch with twin steering positions is designed for offshore expeditions. Steering can be done from either the outside or from the pilothouse with guests seated around the table opposite. Below forward there is a large separate galley with a double cabin opposite. Moving further forward is a crew lounge and double v berths. Aft is the main owner's cabin with an en-suite.</p> <p>3000 liters of fuel and a 174hp Hino diesel give you excellent power and range. A large engine room houses the Genset. Battery charging is backed up by 2 x 300W solar panels and a 5kW inverter/charger.</p> <p>For more information or to view give Dave a call on 02102711365</p>
