

# CANYON

SERIES  
by LUHRS

**LUHRS CORPORATION**

37 Canyon Series IPS • 37 Canyon Series OB  
32 Open IPS [Coming 2010] • 43 Convertible [Coming 2010]

# Two of

The 37 Canyon Series IPS, the first sportfishing boat in Luhrs' Canyon Series, combines serious offshore features with the livability traditionally found only in larger sportfish boats. The standard tower, fish box, 37-gallon live well and bait prep center will please the hard core fisherman – but not at the cost of cruising comfort. Luhrs has also used the extra below-decks space to create a unique step-down cockpit rod and tank locker – something you won't find on any comparable boat! No other production saltwater fish boat offers two cabins and two heads under 40 feet, and no other fish boat offers the combination of best-in-class beam, a deep blue-water hull with the legendary Luhrs ride, exhilarating performance, and a salon built for entertaining. The standard Amtico® flooring, designer soft furnishings, and rich curved cabinetry are quality signatures of the New Canyon Series by Luhrs, but it doesn't end there. Powered by Volvo's revolutionary IPS 500 or 600 engines, this boat features better fuel economy, less noise, and more maneuverability than its traditionally-powered competitors.

# a Kind.

If your interests run to the speed, versatility and low noise of outboard power, the 37 Canyon Series OB has you covered. This more than just another go-fast boat. Triple Yamaha 350 hp outboards power the boat to over 45 mph, and at cruise these horses generate less noise than most traditional inboard drives. Just as on the 37 Canyon IPS, the standard tower, fish box, live well and bait prep center are sure to please the hard core fisherman. The bridge deck on this boat is an entertainer's dream – if you choose the available Summer Galley with Corian® top, electric grill, sink and refrigerator drawer unit, you will be offering your guests and crew the best seats in the house for dinner. Below decks, the elegance of rich warm woods, Amtico® flooring and unique curved cabinetry will make you feel welcome no matter what you are catching. And both Canyon Series boats offer you the luxury of truly customizing your boat for maximum enjoyment by choosing to have either a second guest/day head or a workroom configuration.

# a Kind.

Top: The 37 Canyon Series features an airy, open salon with an island queen berth that converts to a love seat for relaxing and entertaining.

Above Left: With the optional Corian® solid surface countertops, the galley has the feel and function of a high end yacht.

Above Right: The standard flat panel LCD TV and optional Bose® 3.2.1® complement the salon's comfortable furnishings for relaxing after the catch.

Below Left: The full-size head is conveniently located adjacent to the salon entrance. The optional second head in the aft cabin provides fully private quarters for the owners and guests.

Below Middle: The unique aft cabin features two generous berths and a utility room or optional head. The 37 features sleeping for five, in two private cabins – a first in an Open under 40 feet!

# One of a kind features.

We asked boat owners what they wanted in a 37 foot open sportfish. We then took their observations and turned our design and engineering team loose. The results are clear – the Canyon Series features a host of unique features that you will not find on any other sportfish under 40 feet.

The queen centerline berth folds up to reveal a love seat that makes for a perfect spot to watch the standard flat panel LCD TV. Look closely – yes, those are cup holders that light with a soft blue LED when you remove your drink.

There is plenty of storage on this sportfish, and we designed the cabinetry to be uniquely stunning, featuring gently curved doors with secure, positive-locking hardware. You won't find joinery like this on another production boat!

**LUHRS CORPORATION**

One of the most innovative features that you'll ever see on a production sportfish boat is the Canyon Series' step down rod and tank locker. On the port side of the aft bridge deck, the seat cushion removes to reveal a hatch that leads below to a roomy compartment. Stepping down on sturdy custom treads, you'll have access to scuba tank storage on the aft bulkhead, holders for up to fourteen rods outboard, and an extra tackle center with locking drawers on the forward bulkhead. You can never have too much storage!

## 37 Canyon Series Plan Views

**37 Canyon Series OB**  
Power: Triple Yamaha V8 5.3L 350hp Outboards

**37 Canyon Series IPS**  
Power: Twin Volvo IPS 500 or 600 Diesel Engines

37 Canyon Series IPS

## MECHANICAL SYSTEMS

Automatic Bilge Pumps (3)  
**Automatic High Water Alarm and High Capacity Pump**  
Ball Valves on All Underwater Thru-Hull Fittings  
Electronic Shift and Throttle  
Engine Alarm System  
**Fire Extinguishing System – Engine Room**  
Freshwater Cooling on Engines  
Fuel Tanks (2), 380 Gallons Total [IPS]  
Fuel Tanks (4), 640 Gallons [OB]  
Fuel/Water Separators  
Lonseal Flooring in Engine Room  
■ **Shore Water Connection**  
Trim Tabs  
Water Heater – 6 gal

## POWER-SPECIFIC FEATURES

Volvo IPS 500/600 System Includes:  
Volvo IPS Joystick System  
Underwater Exhaust [IPS]

## ELECTRICAL SYSTEMS

Battery Charger  
■ **Batteries**  
Battery Safety Switches  
Cable TV and Telephone Jacks  
Custom Electric Panel w/Breaker and Analog Readouts  
Custom Wire Harness with Color-Coded and Printed ID Wiring Throughout  
DC Interior Lighting System  
**Holding Tank Monitor**  
Internal Bonding System  
GFCI Protection Throughout  
**Isolator Transformer (12.0 kw)**  
Shore Power 120V Connection  
Shore Power Cords – (2) 30 Amp, 50 ft.  
Transom-Mounted Zinc Anode [IPS]  
**Water Tank Monitor**

## DECK/HULL

Anchor Cleat  
Anchor w/Roller  
Anchor Safety Latch  
**Bottom Paint**  
Bomar® Deck Hatches (3)  
Forward, Mid and Aft Mooring Cleats  
High-Density Rub Rail  
w/Stainless Steel Insert  
Molded Anchor Well with Rope Locker  
Molded, Diamond-Pattern Non-Skid Walking Surfaces  
Recessed Side and Foredeck Walkaround  
Welded One-Piece Aluminum Bow Rail

## TOWER

12 Volt Accessories Outlet  
Bench Seat w/Upholstered Backrest  
Buggy Top  
Center Console Helm  
**Custom Welded Half-Tower w/Rocket Launchers**  
Compass  
Dry Storage Glove Box  
Full Engine Instrumentation  
Navigation Lights  
Power Steering

## COCKPIT/BRIDGE DECK FEATURES

Boarding Grab Rails  
Courtesy Lighting under Gunnels  
Cockpit Engine Access Hatch  
**4 Flush-Mount Rod Holders – Dealer-Installed**  
**Cockpit Fish Box – Removable**  
■ **EZ2CY Windshield w/Full Enclosure**  
**Large Glove Box w/Plexiglass Lid**  
**Life Vest Storage Overhead**  
**Molded Fiberglass Port Bait Prep Center & Sink**  
**Molded 35 Gallon Live Well w/High Capacity Pump**  
**Port Side Stepdown Storage Room – w/Rod Locker, Tackle Locker, Dock Line and Dive Tank Storage**  
**Raymarine®218 VHF Radio w/8' Fiberglass Antenna and Chrome Antenna Ratchet**  
Self-Bailing Cockpit with Scuppers  
Swim Steps on Transom  
Walk-Thru Transom Door w/Polished Stainless Steel Hardware  
**Washdown – Fresh Water**  
**Washdown – Raw Water**

## SALON/FORWARD STATEROOM
