## Description

This yacht was designed by renowned naval architects Sparkman and Stephens and built by Prestige Yachts of WA. She is a Fractional Rig Sloop built with GRP. This yacht is fitted out as a super comfortable liveaboard / cruising yacht equipped for day trips and extended cruising.

She has very good accommodation with 7 berths in 2 cabins. The master suite is aft. There are 4 berths in the saloon and one in the forepeak. The saloon is very spacious with a folding dining table and plenty of seating and storage. The quality build is seen throughout "Starlight Express" with the use of timber and quality furnishings.

The helm is well laid out with engine controls, wheel helm and compass binnacle. The saloon also contains raymarine Auto Pilot, VHF Radio GPS/Chartplotter.

There is a great little stainless steel BBQ in the cockpit area and a fabulous Fleming wind vane.

We welcome you to inspect this great all rounder, waiting for the new owners to step aboard and enjoy.

For further information, or to organise a viewing please contact the team at Sydney Marine Brokerage today.
