OTHER FEATURES	
<p>This Hylas 42 was built by Hylas Yachts USA at the Queen Long Marine boatyard (Taiwan) to a German Frers design in 1987. Featuring an aft cockpit with a centreline queen and berths in the bow to give a total of 6 berths. The galley features a 3 burner hob and oven, fridge and freezer. The saloon features a Panasonic stereo and opposite the galley, at the nav station there is both VHF and SSB radios. With Garmin chart plotter, Raytheon radar, GPS, EPIRB, Gas Detection System and Compass you can enjoy a safe passage. For comfort below there is a manual flush toilet with shower. Topside there is an electric capstan, plough anchor on chain and warp, swim ladder and life raft (out of date). Rigged as a masthead sloop with twin spreaders in stainless steel (inspected 2016), there is a slab on main complemented by a roller furling genoa and a range of new and refurbished sails. This Hylas 42 is powered by a Yanmar 50hp that was serviced in April 2021, supplemented by four solar panels.</p>
