### Hunter Legend 38 2007

The award-winning Hunter Legend 38 by Glenn Henderson and his team have refined the Hunter hull form to bring out more pep and agility. Henderson's written brief for the boat describes a "very responsive and manoeuvrable yacht that would be very forgiving to sail in a breeze and easy to manoeuvre in close quarters such as docking." all wrapped into a package that offers exceptional comfort and easy handling making it suitable for shorthanded sailing and for newcomers. Zingara provides the ideal boat for a couple to explore New Zealand's coast and island wonderland. With all sheets back to the cockpit and in easy reach of the helm, Zingara provides a safe and uncluttered cockpit ideal for shorthanded passages. Below decks combines practicality with comfort with port of the companionway a toilet and separate shower, forward facing nav station and settee. To starboard there is a L shaped galley with twin sinks, and the saloon with table. The master cabin in this owner's version is aft, dominated by an athwartship double queen-size berth, two lounge seats, and private access to the head and shower. Located in the bow cabin is a double V berth. This boat was originally imported to act as the sales demonstrator before being sold and then acquired by the current owner. Zingara is an easy sailing comfortable boat with the Hunter pedigree, contact Duncan on 021 067 0099 to learn more or to arrange a viewing.
