President Marine 37

Built in 1989 when President Marine were honing their superyacht business, Milano is much more than meets the eye.

Milano has a 3.9m beam and is a very solid 11 tons with incredible seakeeping for a 37 foot vessel hull was built at survey standard. If you fancy cruising our fantastic coastline you wont be disappointed with Milano, she has a big presence and a big 500 horse power (twin volvo D60s) on 2" shafts and tiger props to motor comfortably at 16 to 18knots. Now did I mention the BATH... perhaps not... yes a bath, best you come and see it for yourself in Gulf Harbour. Did you need the wife's approval! nobody is a galley slave on Milano the previous owner has added some very nice features rarely found on a boat of this vintage. Milano needs to be loved by a new owner, come and see for yourself its a lot more boat than comparable size vessels.

- upgraded galley includes a dishwasher, microwave, 3/4 size stove and 12v Fridge freezer
- accommodation 5 in 2 x doubles and 1 x single
- electric toilet and shower in head plus bath :)
- large comfortable saloon.
- huge duckboard
- plenty of underfloor storage in cockpit
- brand new Bimini top and clears Sept 22
- super easy cockpit stairs to access the bow
- 3kw inverter
- bait board
- BBQ
- 3hp Merc (note- the takacat was storm damaged and is now removed)
- last anti foul Jan 22
