Description

Talk about gorgeous, talk about ecofriendly and gorgeous!!!

'Grapes' was beautifully handcrafted by Sydney Boat builders and specifically designed by Andy Dovell for her current and only owners.

This stunning picnic day cruiser is fitted with a Bellmarine Electric engine, and she powers along at an acceptable 7-9knots of boat speed.

When you step aboard, you are greeted with a huge teak aft deck, which is completely covered with a well-designed Bimini offering excellent headroom. The helm position allows for excellent vision, and ergonomically the controls are in the perfect position.

In the bow there is a single berth to port, and a private head.

'Grapes' is in pristine condition and has been lovingly looked after, for further information or to organise a private viewing please contact our team at SMB.
