## Dibley Design 11 Metre Powercat

**Further Reduced to \$220,000** Launched in 2021, this fantastic power cat was originally a yacht, she has been fully rebuilt and glassed over with double bias fiberglass to form the fast, efficient, cruising launch she is today. Powered by two 2021 Honda 135's, this cat can reach speeds of up to 30 knots! Whether you are heading out for a week or just an afternoon on the water, this vessel has all she needs to accommodate you, your family and/or friends.

- Accommodation for 5 in 3 single berths and 1 double berth with the option to add an extra double in the saloon with the drop down dinette (Squab required)
- 2021 Honda 135hp outboards with counter rotating props (Only 18hrs on the engines!)
- U-Deck Foam deck tread for excellent grip
- Rocket launcher rod holders
- Fully equipped galley with 4 burner stove, oven and grill
- Electric toilet and shower in head + cockpit shower
- Trampoline between the hulls at the bow
- Maxwell electric anchor winch with remote control
- Beautiful vanished timber cabinetry

"Way maker" has just had a full service on the outboards and has been antifouled ready for the summer season to begin.
