END NOTES

So many features, suffice to say this vessel will impress. Here's a few more:

* New Helm chairs in 2022 with adjustable bolsters. New Icom VHF, and a second 37 inch display mounted in the rear window to display Furuno sounder / Navigation information while traveling or fishing, and TV reception if desired.

* Spacious cockpit, with stainless bait prep station, tackle storage with 2 x relax outriggers

*New Air conditioner for Galley, New HF ICOM Marine Radio, Antenna and Auto Tuner Available and countless spares.

* Freezer - 130 L Port Side Cockpit Eutectic

*Teak floor decking

*TV and new pioneer stereo with Amplifier

*Stylish accommodation, entertainment and living. So much room! For a dedicated boatie this vessel presents as a great live on board as well. For the keen recreational fisherman, you can't go past an O'Brien especially this one with all the modern equipment installed.

*For a professional who wants a marlin boat with the "WOW" factor - this could be for you.

*The owner wants to upgrade and would be willing to negotiate with a view to keeping some off the high quality navionics as they can be used in the new vessel.

*The owner is very interested in discussing all options you may have so please call Robert (the Agent) on 0427 373 844 (please leave a message if you can't get through first time). We look forward to hearing from you.
