

Vessel Specification – 2018 Four Winns V375

Descriptions

LOCATION | Central Coast, NSW | Inspections are available most days but please call to organise an appointment only.

2018 Four Winns V375 – Maintained and presented to the highest standard and loaded with options, this impressive vessel is not to be missed. With 230hrs on the clock, fantastic service record, she presents better than the day she left the factory!

Once aboard the teak laden swim platform, the quality become obvious – stainless steel transom rail with all the trimmings, flush mounted swim ladder and wet lockers. Most notably is the folding aft jump seat to sit and enjoy the view with a cold drink in hand.

The cockpit is generously appointed with family sized lounge, teak table and functional wet bar with sink, ice machine. There is a comfortable double helm position and port side lounge, fully carpeted throughout cockpit. The expansive foredeck features a double sunbed, stainless steel rails and fender holders for ease of access when docking.

Entry to the light and bright cabin is down a set of floating hardwood stairs. Fully air-conditioned, this functional space has a large lounge and folding dining table and cosy aft retreat in a day configurations which converts with insert cushions to make enough beds for 5 to 6. Forward queen island bed with curtains for privacy tops off the high comfort level of this stunning vessel.

The galley, with all its storage, is an entertainer's delight with stainless appliances, dual burner stove and covers over the sink for extra bench space when not in use.

The stylish bathroom on starboard is spacious, functional and very impressive for the vessel size. Stainless sink, vac toilet and an isolating panel to separate the shower. The bathroom features make her more than adequate for long weekends away cruising with the family.

The current owner is meticulous about presentation and maintenance. In his words "you can eat off the engine room floor!"

This a genuine turn-key vessel, ready to be enjoyed now by the next discerning operator.
