INTERNATIONAL

— YACHT BROKERS —

# ABOUT US

Flagship International was started with simple, yet pivotal, values in mind: honesty, integrity, and a personal touch in the Sydney yacht market. Our founder, Marley Cutbush, transitioned from years spent on international super yachts and adventurous voyages across the Pacific to establish a brokerage that Sydney truly deserves.

After a decade managing marinas and brokerage operations along Sydney's Port Hacking and George's River, Marley leveraged his positive outcomes and network to launch Flagship International. The success was immediate, with 48 boat sales within just the first year.

We operate out of Rose Bay and Point Piper Marinas, among Australia's most prestigious. But it's not just about location; it's about relationships. We pride ourselves on taking the time to really understand our clients. What are you looking for in a yacht? What are your long-term goals? We listen, we learn, and we build relationships that make the journey of yacht ownership as smooth as possible.

It's this focus on authentic, long-lasting relationships that sets Flagship apart.

Thank you for considering joining us on your yachting journey.

# Schaefer 376 Hard Top

# Flagship Introduces the Schaefer 375 Hard top

The Schaefer 375HT doesn't disappoint boaters. With its flawless exterior design, it will definitely leave you in awe. With the smart way of fitting and organising what you need inside, you'll truly love the extra entertaining space it allows.

## A Social Haven

As you step aboard, you'll find a generous swim platform adorned with authentic teak, leading into a cockpit that features a U-shaped lounge. This is an entertainer's dream, comfortably seating up to 10 guests. The electric Kenyon cooktop ensures that alfresco dining is always an option, complemented by a spacious electric fridge for all your refreshments.

## Thoughtful Design

The Schaefer 375 is designed with your convenience in mind. From the discreetly placed waste bin to the elegantly designed drinks cabinet complete with branded glassware, every detail has been considered. Storage is also a non-issue, with ample space under the lounge seats.

## Command and Control

The helm station is ergonomically designed for ease of control. Joystick functionality makes for effortless manoeuvring, while the central wheel placement offers an unobstructed view of all instrumentation. With a range of engine options, the Schaefer 375 is as versatile as you need it to be.

## Interior Comfort

Below deck, the yacht offers a layout that maximises both space and comfort. With two full-sized beds and separate facilities for the toilet and shower, the Schaefer 375 provides the amenities you'd expect from a much larger vessel. It's an ideal setup for extended stays on the water.

To explore the Schaefer 375 Hard Top further, feel free to contact us.

Best regards,

Marley at Flagship International
