

Vessel Specification – 2009 Hydra Sport 2900cc

Descriptions

LOCATION | Mosman, Sydney. Inspections are available most days but please call to organise an appointment.

The Hydra Sport 2900cc is known for its world class deep-V hull design. Providing a superior ride and stability both in and off-shore in the most challenging of sea states. Built in the USA with 3 things in mind – fishing, speed and quality.

With her well thought out layout combining an abundance of storage, high levels of comfort and amazing fish-ability, this beautifully maintained vessel is your turn-key option for summer on the water with family and friends.

This well cared for and highly maintained vessel has only 715 hrs on the twin 300hp serviced Verado's.

Combining all the necessities for fishing – live bait tank, catch lockers, rod holders throughout, tackle storage - with the cruising comforts – toilet & sink, sun pad, deck shower, ice box, sun awning – this 2900cc is a must inspect in the current market.

Highlights

- Full engine service (Sept 2023)
- Fresh anti-foul (Sept 2023)
- Complete machine cut & polish of hull and full detailing of boat (Sept 2023)
- Upgraded Raymarine Axiom chart plotters x 2
- Upholstery and cockpit in fantastic condition
- Fusion Bluetooth stereo and speakers through out
- Toilet & sink in private console cabin
- All the necessities for off-shore fishing – bait tank, rod holders, plenty of tackle storage plus more.
