## Vessel Specification "The Equalizer"

Description				
<p>This is a stunning example of a twin-engine low hours (588) and extremely well cared for 53 Enclosed.</p> <p>There isn't a lot this vessel doesn't have with just a few of the inclusions being Foxtel dome, BBQ station and separate live bait tank to transom, , 9 x rod holders to cockpit combing, 6x rocket launchers to aft end of flybridge, teak cockpit in magnificent condition, out riggers, wind gauge, CP570 Chirp transducer, 48NM 18" HD Colour radar, Chart plotter and sounder (touch screen), anchor camera, cockpit camera, dishwasher, 6 x fridges and a freezer, generation 2 C zone screen to saloon and generation 3 C Zone screen to flybridge, Centre Console Brig with 40HP outboard, 350KG ADC Davit, and quite honestly the list goes on. Recently antifouled and service late last year it will romp through any pre purchase inspection.</p> <p>Please call or email for further information or to arrange an inspection (currently located at Cabarita Marina - Sydney)</p>
