

Vessel Specification

2005 Bertram 630 Enclosed Flybridge

This 630 Enclosed Flybridge is built to deliver the legendary BERTRAM performance. Exquisite high-gloss finishes, Corian fiddle rail counter tops and durable deluxe flooring, leather and fabrics deliver the very best in luxury and comfort. Powered by twin CAT C30 engines and delivering 1550hp per engine, this BERTRAM is capable of achieving efficient range at cruising speeds that respect the value of your time.

Highlights							
<ul style="list-style-type: none"> • Currently only the second owner • 14.9m2 of open cockpit • Aquamet Shafts and Rolla 5 blade bronze high performance props in shallow tunnels • Out of water yard period just last month • Known delamination issues with build line were corrected under strict supervision and great expense in 2017 with supporting documentation available • Numerous recent additions to the vessel include - a davit to foredeck, game chair, full LED lighting replacement throughout (fittings not LED bulbs), fitting of electrical isolators for all 240V appliances, Foxtel, teak/stainless swim platform, along with a Dinghy and life raft. • Second (24V) freshwater pump fitted to compliment the 240V pump (redundancy) 							
Principal Information							
Builder:	Bertram International USA						
Built / Refit:	2005/2006						
Construction:	GRP						
Port of Registry:	Victoria						
Classification:	Private Use						
Location:	Lakes Entrance						
Speed:	Cruise:	30knts	Max:	34/35knts			
Dimensions	Length Overall (M)	20.4m (66ft 9')	Beam (M)	5.52m (18ft 1')			
Cabins:	3 all with ensuite						
Guests:	6 in beds						
Bathrooms:	3						
Total Price inclusive of GST (if applicable)	\$1,430,000.00						
Machinery & Systems							
Machine Engine(s)	Make & model	Caterpillar C30 V12					
	Hp	1550HP					
	Starboard (1):	740 (OCLX02805)					
	Port (2):	740 (OCLX02828)
