

Vessel Specification – 2003 Sunseeker 68 Predator “SILK”

Highlights

- High Gloss Cherry interior,
- Crew Quarters
- Bow Thruster
- Raymarine Navigation upgrade 2018/2019
- Bose entertainment system upgrade 2018/19
- New TV's throughout
- Hard top with opening sunroof
- Hydraulic lowering swim platform
- Tender Garage with tender retrieval system

This high performance, agile sports yacht will cruise at 20 – 26 kts in comfort and reach a top speed of 32 kts. Professionally maintained and in showboat condition, the aft cockpit boasts generous seating for 10 guests with a large hydraulic swim platform for easy water access for a refreshing swim. Crystal clear music playing from the new Bose sound system, full wet bar, icemaker and BBQ will make this Summer the best yet.

Stepping down the companionway, the mood is elegance as you discover the open plan saloon and galley with a floor to ceiling, high gloss cherry wood varnish. Unfolding the saloon table, it doubles in size to create an inside dining area for an evening of good fun, food and great company. Ready to rest up after a full day of adventure, there is a double berth VIP cabin with ensuite, an aft Master queen cabin with ensuite which can also be an optional day head and the twin bunk cabin. An additional crew berth is further aft if you prefer to bring a crew member along for the trip.

Designed to Cat B “Offshore” for up to 15 persons in smooth waters.

Recent January 2020 Survey provided on request.

Maintenance

Annual haul out and shipyard period.
