

## 2018 Parker 750CC – Vessel Specification

### Descriptions

This boat is located in VIC – Martha Cove.

This 2018 Parker 750CC is as new with only 5 hours on the clock – this is immaculate as you'd expect and is a great all-rounder. At home as a fishing boat or as a day or overnight cruiser - with all the appointments you'd expect.

A generously sized aft deck allows for easy boarding and two swim platforms either side of the Honda 250HP outboard that packs a good punch on the flat and open waters.

Through the impressive sliding doors and into the cockpit/lounge you immediately see the impressive contemporary styling and lines with the electric skylight and full length windows – mean that the 360-degree view is exceptional.

This boat offers all the comforts you need – including full cabin protection, accommodation for two in beautifully finished leather, a large aft deck with folding seats and benches to maximise space, and a spacious bow for working on your tan.

Modern styling is a feature with clever features at every turn that maximise space and comfort. There's a toilet and basin to make trips even more comfortable.

The dining area has an adjustable table, flexible seating arrangements and this can be turned into a smaller twin berth – perfect for the kids or grandkids!

The Fusion Bluetooth sound system with surround sound will keep you entertained and the Garmin echoMAP SV will make plotting your course and finding your next destination – a breeze.

A bow thruster and trim tabs complement the helm with automatic windlass anchor to make life easier!

The fridge will keep your food and drinks nice and cool and you'll be on your way. This boat is as new and a turn key boat – an inspection is a must!

This boat is based at Martha Cove in VIC – please call Simon Payne on 0411 264 268 to arrange an inspection.
