

# Frers 43 - Fast, safe cruising and offshore sailing

**\$96,000.00**

## Specifications

Year	1974
Make	Frers
Model	Cybils 43
Style	Yacht
Stock Number	10133

## Construction

Hull Construction	GRP Airex Core
Builder	Frers & Cybils
Loa Approx	13
Beam Approx	3.8
Draft Approx	2.1
Hull Type	Mono
Transom	Enclosed

## Engine

Enginemake	Yanmar
Engine Model	4JH4AE
Engine Year	2009
Hours Approx	Approx. 1700hrs
Engine Fuel	Diesel
Drive System	Shaft Through Hydraulic Drive

## Tankage

Fuel Capacity Approx	180
Fuel Tank	1 X GRP
Water Capacity Approx	260
Water Tank	2 X Stainless Steel

## Interior

Berths	6
Headroom	1.85
Toilet	Composting Toilet With Shower
Cooking	Gas - 4 Burners, Oven & Grill
Cabin No	2
Saloon	Settees Around Central Table With Pilot Berths, 2 Sinks, Fridge, Hot Water Off Engine, Diesel Cabin Heater, Dometic Freezer

## Accessories

Safety Equipment	EPIRB, VHF Radio, 6 Person Life Raft 2022, Gas Detection System, 1 Electric + 2 Manual Bilge Pumps, Off-Shore Cat 1 Flares, Drogue, First Aid Kit, 2 X Man Overboard Ring And Light, Folding Danbuoy, Swim Ladder
Navigation Gear	New Garmin Chart Plotter + 2022 Raymarine Chart Axiom 9 Plotter, 2022 Raymarine Quantum Radar, Compass, Raymarine Boat Speed And Depth Instruments, New Garmin Wind Instrument, Autopilots, Wind Pilot
Ground Tackle	25kg Rocna With 85m Chain + Danforth With 15m Chain And 40m Rope
Capstan	New Maxwell Anchor Windlass

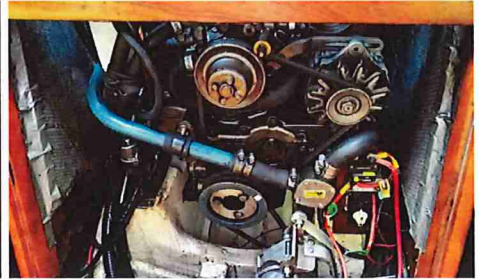

## rig

Rig Details	Tall Rig With Twin Spreaders
Rigging	Stainless Steel 2011
Reefing	New Manual Furler On Jib And Slab On Main
Spars	Alloy With Spinnaker Pole
Sails	Fully Battened Main With 4 Reefs, Genoa, Stay Sail And Storm Jib
Winches	9

### Frers 43 - Fast, safe cruising and offshore sailing

A beautiful flush-decked German Frers 43. This is a great cruising yacht with good sailing characteristics. She has a gentle motion and was built strong for offshore conditions. Below decks, the hardwood interior enhances the feeling of strength and comfort. She has 2 large quarter berths and a master cabin forward. The saloon has seating around a center table which houses the fridge. The 2009 55hp Yanmar engine is located under the cockpit and drives the prop through a hydraulic motor. She is fully set up for cruising with solar panels (increase to 480w in 2023), water maker, wind pilot, bow thruster and diesel heater. The twin spreader alloy cutter rig carries a fully battened mainsail and furling genoa using a new (2023) manual furler. The staysail and storm jib are hanked on an inner forestay. Over the last few years, the owners have undertaken a lot of work including mast out rig inspection and new mast step (2019), rudder (2019), chain plates (2021), hatches (2018), Maxwell windlass (2023), electronics package (2022), dual batteries banks with dual solar regulators, total 780Ah (2023), fridge thermostat (2023). In 2022 she returned from the islands with a family of 4 and was Cat 1 certified for the trip. This boat has lovely lines and is designed and built to sail well. This makes both coastal and offshore passages fast and comfortable.

### Features

Stainless instrument frame that doubles as hand holds when moving around the cockpit, New 40A solar controller unit (has dual solar controllers), Wind generator, 25A 240v battery charger installed, Starlink hardware installed (new owner will need to sign up for a data plan), 480watts of solar power.
