She can take up to a capacity: 30 passengers plus 2 crew members (Captain with Coxswain Ticket).

- Bookings: She has had a fabulous summer season and is still seen out doing charters during these Autumn months.
- Business History: The charter business has been successfully operating for over 20 years.
- 'Seabird Seven' is ready to step on board and start operating immediately.
- Transition Assistance: Owner willing to provide a thorough handover to the new owner, ensuring a smooth transition.

### Brief Overview:

- Engines: Twin Kubota Diesel shaft drive engines with approximately 1300 hours of use.
- Navigation Equipment: Equipped with Raymarine and Simrad navigation systems.
- Sails: New Barracouta sails installed in 2020, including a fully battened high cut main, self-furling genoa, and cutter rig staysail.
- Anchoring: Features a new anchor, chain, and electric anchor windlass for easy and secure anchoring.
- Fuel System: New stainless fuel tank and strainers, as well as new exhaust risers.
- Amenities: Stainless steel BBQ, eskies (coolers), large icebox, and a stable swim mat for enjoyable off-the-boat activities.
- Entertainment: Equipped with a Sony sound system featuring USB and Bluetooth connectivity, an amplifier, and surround sound.
- Safety Compliance: Has a Certificate of Operation (Feb 2025) and Certificate of Survey (Sept 2026).
