

Vessel Specification – 2005 Sunrunner 3300

Descriptions

LOCATION | Mosman, NSW | Inspections are available most days but please call to organise an appointment.

This 2005 Sunrunner 3300 is a fantastic cruiser powered by a 380hp Mercruiser 8.2MAG V8 seacore engine (repowered 2017), pushing this sports cruiser along with speed to your favourite anchorage. The single-level, open-planned cockpit is fantastic for entertaining with the capacity to carry 10 for the day with room down below for 2 couples or the family to spend the weekend on the water.

Nicely original and in great condition, this Sunrunner 3300 is a great entry level sports cruiser or a fantastic option for the experienced boatie who's after something simple, nicely maintained and ready to be enjoyed now.
