

Vessel Specification – 2013 Greenline 33

Descriptions
<p>LOCATION Mosman, NSW. Inspections are available most days by appointment, please inquiry/call to arrange a time.</p> <p>Introducing the 2013 Greenline 33 – Where Innovation Meets Eco-Elegance. Look no further than this beautiful 2013 Greenline 33, a vessel that combines cutting-edge technology, luxurious comfort, and environmental responsibility like never before.</p> <p>Greenline is known for its innovative design, and the 33 is no exception. It offers features like a walk around deck, large windows for natural light, and a functional cockpit for indoor/outdoor living.</p> <p>The boat features a spacious and well-designed interior with comfortable accommodations, making it suitable for extended cruising and living aboard.</p> <p>The boat is designed for both coastal cruising and inland waterways, making it versatile for a wide range of boating adventures. With an extremely low fuel burn at a comfortable cruise speed, you won't need to spend the earth on diesel to enjoy her cruising capabilities.</p> <p>Whether you're into long days on the water, extended cursing, or simply enjoy entertaining in style, this Greenline 33 is your ticket to an unforgettable upcoming summer on water.</p>

Highlights
<ul style="list-style-type: none"> • Two owner boat with full service history • Single diesel with shaft-drive for low cost maintenance • Bow thruster giving superb maneuvering capability • Large window throughout, filling the cabin with light while providing amazing view • Automatic folding transom platform for expansive cockpit space • New sea-deck flooring through out aft cockpit and into Saloon. • Please note this is a non-hybrid model with no solar.
