

Wellcraft®

2019

A SUPERIOR CRAFT REINVENTED FOR EVERYONE.

Since 1955, Wellcraft® has stood for innovation, quality, and reliability. These core values are found in an American icon reinforced to the forefront of all-purpose boating. From offshore fishing to Great Lakes touring, the journey begins with a turn of the key.

Such capability is thoroughly expressed in the ability to deliver features anglers crave alongside the creature-comforts families desire. Boats of this caliber are reflected through expert craftsmanship and revolutionary engineering entrusted into every series and model.

Legendary performance is a given. A passion for style is required, and its execution is vital. Welcome aboard Wellcraft.

WELL EQUIPPED FOR FISHING

A strong devotion to fishing is what we do...and it's why we are trusted by tournament champions worldwide. From secure rod holders and storage, dive doors and deluxe T-tops to expansive live wells and prep stations, fish boxes, wash-downs, trolling motors, and jack plates the entire Wellcraft line truly takes the art of hardcore fishing seriously.

Efficiency drives versatility. Our multipurpose dive doors make landing fish faster and boarding easier.

Keep your sticks clean, safe, and out of the way with tiered rod storage.

Convenience is our objective. Grab, prep, and hook attractions through bait stations that keep you right in the action.

CRAFTED FOR COMFORT

Well-appointed amenities are welcomed aboard every Wellcraft. Our new models ensure the boating experience remains comfortable and convenient. From beautiful flooring and additional cushions to insulated coolers, interior lighting, and onboard restrooms your boating adventures will always feel like vacation. They might forget it's a fishing boat, but you won't.

A place for everyone. Wellcraft incorporates innovative stern seating that's safe, comfortable and folds out of the way for more cockpit space.

Optional bow seating packages add runabout like seating to your Wellcraft for additional style and luxury.

More onboard space guarantees a better boating experience. Our oversized forward seats add more possibilities without sacrificing cockpit usability and maneuverability.

WINNING EDGE FACTORY WARRANTY

At Wellcraft we stand behind our quality with a warranty that won't let you down.

FACTORY WARRANTY
W Wellcraft

HULL STRUCTURE

10 year structural hull or deck warranty applies to the first retail owner. A testimony of hull design and structural engineering makes the warranty transferable to the second owner; limitations apply. (Contact your dealer for full warranty information)

QUALITY CONSTRUCTION

The highest level of precision and application are integrated into every aspect of a Wellcraft's construction. Beginning with the boat and ending with its trailer, all our manufacturing is done by highly-trained, skilled professionals that keep you and your family's safety and well-being as their greatest priority.

EXPERT DESIGN

Innovation starts in the engineering lab. Our designers are always looking for new ways to take Wellcraft boating to the next level.

PRECISION TOOLING

All Wellcraft tooling is done in house by our well-trained experts who demand perfection. As a result, better designs and quality products are achieved with Wellcraft.

FINAL ASSEMBLY

Every Wellcraft undergoes an extensive quality inspection before it leaves the factory. You'll feel better knowing that all our models are built with an extreme attentiveness to detail.

Not all of the Winning Edge limited warranty is transferable. Ask your dealer for all limited warranty details. Warranty applicable to North America Only. For all other locations please contact your servicing dealer.

FISHERMAN SERIES
