This quotation includes pricing in the currency shown valid for 14 days from the date on quote. All Australian and New Zealand dollar pricing includes all costs associated with importing the yacht into Australia / New Zealand including duty and GST, antifouling, rigging, commissioning and handover of the yacht. Insurance is covered from factory until the time of handover to the customer. If this quote references EURO pricing then this is the price collected from the factory excluding taxes. Windcraft can provide separate pricing for European transportation, commissioning and handover as required.
