AXOPAR 28 - ELVIS

The Axopar 28 stands out as a sophisticated walk-around day cruiser that offers versatility and easy handling. Its roomy design is perfect for various activities such as sunbathing, water sports, fishing, socializing, or leisurely coastal cruising. The inclusion of an open T-Top makes it well-suited for any climate.

OVERVIEW

The Axopar range, a recipient of numerous awards, reflects extensive experience and a deep passion for boating. Crafted by genuine boating enthusiasts with a commitment to quality, it's challenging to find another boat in today's market that provides such a high-quality ride and incorporates all the features found on the Axopar. The Axopar 28 series is capable of achieving top speeds ranging from 36 to 47 knots.
