About Tweed Eco Cruises

A PRIME LOCATION

Nestled in one of Australia's most biodiverse regions, Tweed Head Eco Cruises offers access to nine nearby national parks and cruises through Terranora Lakes' mangrove forests. Conveniently located near Gold Coast Airport, it serves as a gateway for travelers, only 40 minutes from Byron Bay and Surfers Paradise, with average temperatures of 22°C year-round.

EXCLUSIVE LICENSES

The business holds the largest licenses in NSW for estuary charter fishing, a license type no longer issued by DPI Fisheries. Additionally, they possess a Commercial Crabbing and Meshing License valued at \$200,000. This license is highly marketable and is advantageous as it allows the business to catch and cook their own mud crabs for tours and catering, rather than purchasing them elsewhere.

ESTABLISHED MARKETING & INDUSTRY LINKS

They are promoted across various digital platforms such as Red Balloon and Experience Oz. Additionally, they collaborate closely with domestic and international agents, spanning from retail to wholesale and inbound tour operators.

AWARD-WINNING EXCELLENCE

NSW Tourism award winners at Gold Level for Tur and Transport (2021 & 2022) and Ecotourism in Gold (2021) and Bronze (2022). This is backed by excellent relationships with local, regional, and state tourism organisations.
