

Inventory Roberts Powercat 395

12 meter New custom-built catamaran. This yacht has just finish construction built from fiberglass with foam core according to Bruce Roberts Cat395 plan. She was built in the Philippines by a knowledgeable team of craftsman with many years of boat building experience. She is designed as a go anywhere live aboard power cat. She has full solar power, refrigeration, and a water maker to accommodate any adventure you are seeking. She has carbon fiber reinforcement in her keel and other critical areas. Build with proven system technology and appliances easy to maintain or repair. Redundant systems, two inverter systems, crossover power switching, backup water pump, three fuel filters, fuel separation main tanks and day tanks. Inside decks and doors are hand laid real wood. She has four large berths, two dry heads, two bow showers rooms, and one swim platform shower. This yacht current location is Cebu, Philippines ready for your adventures. She is still at the boat yard that build her upgrades can still be made on request.

Dimensions

LOA 40ft

Beam 23'7"

Draft 3'6"

Launched 2024 January

Registration: Poland International Yacht Registration

Construction: GRP over foam core.

Tankage diesel 2x 400 Gal

Water 2 x 300 L plus large watermaker

Galley

Two each Refrigerator Model RBH3.1-1019 Bostonbay 3.1 cu. ft.

Electrolux range Model EKM5212X LPG two burners one Electric burner & Electric oven

Panasonic inverter freezer NR-AQ241FB , 8.0 cu. ft. Direct Cool Inverter, Upright Freezer (portside)

Electolux front load washer inverter 8KG EWF8025CQWA (STB side)

Solar power

Solar panels 12 each 450w total 5,400 watts

Power Systems Port side

Four each 12v 200Ah valve regulated sealed gel battery (400AH at 24v)

one SNAT High efficiency 3000W 24V off grid pure sine wave solar inverter DC/AC Inverter

--- Port side inverter is dedicated to essential systems refrigeration and cooking

Power Systems Stb side

six each MPPT solar charger controllers SRNE SR-ML 40A, 24v

Four each 12v 200Ah valve regulated sealed gel battery (400AH at 24v)

one 6,000 watt pure sine wave inverter 24v DC to 220v AC

--- Port side inverter is for A/C units and hot water heating and other house loads

Engine and Propulsion

Weifang huazhong power R4105ZL inline four-cylinder diesel 67Kw/90HP at 1800rpm
gearbox two each Advance Marine Gearbox model 40A

Helm Electronics

Garman GPSMAP® 8610xsv Multifunction Display with US and Canada Navionics+
Charts

Garman Reactor™ 40 Hydraulic Autopilot Bundle

Garmin 010-00705-63 Hydraulic Pump - 2.0L

Garman GMR Fantom™ 18x Radome

Garman GT51M-TH Thru-Hull Traditional and CHIRP ClearVu/SideVu Transducer

Uniden UM435 Advanced Fixed Mount VHF Marine Radio

Ritchie Explorer Flush Mount Compass, White (F-50W)

Heads & Shower

SeaFlo electric toilet model SFMTP2-02 (port & STB)

Panasonic instant electric water heater DH-3PL1 (STB side)

Water system

Watermaker: DC 24 Volt, 40 GPH/160LPH Dual Membrane

A/C units

Split unit AIRCON BOSTON BAY ME MSAB-12CR INVERTER 1.5HP (draw 1000W power)

two each self contained JHS model A019-04KR/A (draw 480w power) port & SBT aft
berth

Camera system

four, SV3C 4MP POE IP Camera

with POE dvr, camera port engine, STB engine, port side, STB side

Sceptre 22-inch monitor on swing arm, can display cameras of Garmin display

While the above list is as accurate as the owner can make it at the time of compellation, no responsibility can be accepted for any errors or omissions.

It is up to the purchaser to ensure that everything is recorded correctly.
