FOR SALE

FAIRLINE SQUADRON 55

This 2010 Fairline Squadron has been professionally maintained by Chapman Yachting since delivery and presents as a pristine example of British craftsmanship and design excellence. This luxurious flybridge motor yacht provides excellent performance, ensuring an unparalleled boating experience.

OVERVIEW

One of the Squadron 55's distinguishing features is its spacious and luxurious layout on lower decks and flybridge. The interior seamlessly combines elegance and functionality, with high-end materials and sophisticated décor. It includes a top-of-the-line entertainment system, comfortable seating, and ambient lighting, and is completed with a three-cabin layout full beam master cabin, with ensuite, forward double VIP and twin guest cabin with ensuite, a fully equipped galley and large dining area.

Handling is exceptional, thanks to its robust twin 800hp Volvo Penta D13 engines with very low hours, capable of reaching up to 30 knots. This ensures a smooth and responsive voyage, making it ideal for navigating various sea conditions cruising at 20 knots.
