FOR SALE

HARGRAVE | CAPRI 94 | 'SASSY'

This outstanding 94 Hargraves carries the ability to cruise the entire Australian Coast or even the South Pacific with speed and range, whilst also having the same level of volume and comfort as a current model 40m superyacht at a fraction of the price.

OVERVIEW

Built by the globally renowned Hargrave Custom Yachts Group, SASSY carries all the typical amenities, appointments, and volume of a 40m superyacht. She can also be crewed or operated by the owner short-handed with bow and stern thruster upgrades and remote plug-in stations throughout the vessel. Refitted at various stages throughout her life her more recent refit saw the upgrade of the Naiad Stabilisers to an over specified TRAC ZERO speed system. Inclusive of the retro install was a new northern light generator and other various upgrades and modifications which can be elaborated on upon request. She is executed for comfortable extended living aboard, with all the required comfort and elements for entertaining, relaxing, working or water sports. 'SASSY' represents exceptional value for money in the current market, we urge prospective buyers to come forward.
