

Vessel Specification – 2020 Jeanneau NC37

Descriptions

The 2020 Jeanneau NC37 - A lightly used modern cruiser, perfect for family boating on the Harbour and capable of extended coastal cruising.

The versatility and features are extensive, these include various seating & dining arrangements in the saloon, to a clever storage space under the galley that converts to a third cabin.

There is a large electric sun roof over the saloon and helm area, Raymarine navigation electronics, hydraulic steering, full engine instrumentation at the helm with a single lever joystick control for easy docking & manoeuvring.

The galley has a stainless sink, a microwave, a two burner electric cooktop, convection oven and a fridge All are all very lightly used. There is an extra fridge installed amidships and easily accessed.

The accommodation area has two nicely appointed cabins. The cabins are light-filled and airy with large opening portholes. Separate head and shower compartments make for a comfortable stay for up 6 on board.

The accommodation and saloon areas all have reverse cycle air-conditioning with zone control.

Manoeuvring around the marina is made simple with the Volvo Joystick control and can be managed single headedly by the skipper with access to the side deck & bow through the sliding helm door.

The swim platform is equipped with davits to take the tender, stainless swim ladder, has laid teak decking, a stainless rail capable of taking the stainless BBQ (brand new, stored below).

This is a great, late-model family cruiser with low hours and is ready to have the key turned on its next adventure.

Highlights

- Joystick docking control. Adjustable trim tab system. Highly functional helm with great visibility.
- Low hours. Fantastic condition inside & out
- Teak additions to the swim platform & cockpit
- Highly functional adjustable cockpit seating
- Large electric opening sunroof above helm
- Recently serviced, anti-fouled and professionally detailed.
