NOVURANIA 600 - OCEANA

“The Novurania 600 Launch is a both a world-class yacht tender and high-performance offshore, all-round sports inflatable.”

The Novurania 600 is a both a world-class yacht tender and high-performance offshore, all-round sports inflatable.

The stylish design is based on a deep “V” performance hull, providing a smooth, stable ride in choppy or rough offshore waters whilst also ensuring your guests remain dry.

Powered by a single diesel Volvo D3-220 engine, the Novurania 600 boasts a well-balanced mixture of performance, reliability, and fuel economy. Professionally maintained & operated since delivery and always stored out-of-water the vessel is in turnkey condition with all servicing onboard up to date and ancillary systems in meticulous working order.
