

Vessel Specification – 2000 Carver 530 Voyager Pilothouse *Amber Blue*

Descriptions

The 2000 Carver Voyager 53 *Amber Blue* offers generous and ample space throughout its well-designed layout, making it ideal for extended cruising, living aboard or high-volume harbour cruiser.

The boat features an oversized master suite with a large berth, extra storage, and a split ensuite layout, providing owners with a comfortable, spacious retreat. With a lavish forward VIP double berth and extra bunk cabin to port, for extending cruising with family and friends.

The pilothouse layout provides excellent visibility for navigation along with a comfortable space for the captain and guests to enjoy the journey regardless of the weather conditions.

The *Amber Blue* comes with a fully equipped galley, including modern appliances, ample counter space & plenty of cold storage, allowing for easy meal preparation and entertaining whilst on the water.

The boat is equipped with updated Raymarine navigation systems to both helms, updated entertainment AV, allowing for convenient and enjoyable cruising experience for all onboard.

Whether it's the spacious salon for gathering, the fly bridge for enjoying the views, or aft cockpit for socialising, *Amber Blue* offers multiple entertainment options for cruising in style. From the expansive swim platform to the flybridge with its own helm station and seating areas, she provides plenty of outdoor amenities for enjoying the sun and sea for any angle.

Carver Yachts are known for their superior craftsmanship and attention to detail, ensuring that the 53 Pilothouse is not only stylish and luxurious but built to last, providing owners with years of enjoyment on the water to come.

Highlights
