Comments:

This is a well-built ,well thought-out vessel, built with the idea of day and overnight charter not so much extended cruising although it could be modified for cruising.

The builder is a super-experienced sailor who has circumnavigated and sailed the worlds oceans.

He has built 3 Kurt Hughes catamarans all around or larger than 50 ft

While the above list is as accurate as the owner can make it at the time of compellation, no responsibility can be accepted for any errors or omissions.

It is up to the purchaser to ensure that everything is recorded correctly.
