Used

Class:

Multi-Hull

Boat Location:

Langkawi, Malaysia

Hull Material:

Composite

Drive Type:

Sail Drive

Beam:

22 ft 5 in

Name:

Seabra

Fuel Type:

Diesel

Max Draft:

4 ft

Description

Seabra is a well sort after Perry 43 ft Bluewater cruising live aboard Catamaran.

After a major refit in Australia she crossed the ocean where she cruised Indonesia and Malaysia.

Seabra is currently located in Langkawi Malaysia which is a spectacular cruising location to begin a new around the world adventure.

Seabra has been very well kept, and is a great choice for someone who values sailing and comfort in a solid, safe catamaran.

The amount of Time and Effort spent over the last years will ensure easy smooth sailing for the next owners, everything you could ask for has been done.

SEABRA is completely self sufficient and is able to stay out on anchorage many months at a time due to the solar electrical installation and watermaker.

Here are some of her features with full list further below:

New Spinaker

New Genoa

New Raymarine electrical instrumentation including AIS Radar, acu 200, gps, auto pilot hydroids and Sonar

New Coppercoat Antifouling

New Winches stainless steel

New polycarbonate black mounts under winches

New Standing Rigging
New Solar Panels 399w bi facial
New Victron Solar Controllers x 6
New Victron Quattro Inverter 8kw
New Lithium Phosphate Batteries 24v 12kwh
New Rocna 33kg Stainless Steel Anchor
New Anchor Chain 100m
New stainless steel gas bottles
New aluminium hull Swift 3.5 RIB
New Yamaha 4 stroke 25 hp
New fridge 110ltr Dometic
New Engle 60ltr
New sound system Rockford fogsate
New filters
Fresh water collector
Re painted mast and boom
New internal paint
2 x electric toilets
3 indoor showers
1 outdoor shower
Hot water from engine or solar
Refurbished engines and engine bays
Baymar serpentine belt pulley kits
Washing machine

My plans to sail round the world have changed and therefore Seabra is available with all the work already done enabling the next owners to purchase a world cruising ready catamaran.

Dinghy conveyed as equipment.

BASIC SUMMARY

BASIC SUMMARY

Seabra is a unique well sort after perry 43' Bluewater capable cruising live aboard. She is located in Langkawi which is an interesting place to begin a new adventure. Seabra has been very well kept, and is a great choice for someone who values sailing and comfort in a solid, safe catamaran. The amount of Time and effort spent over the last year will ensure easy smooth sailing for the next owners, everything you could ask for she has it.

Seabra was in survey C2 and will easily go thru the transitional survey if required to go back in survey, She has all the features and equipment to standards of the C2 survey which equips her with added safety, Fire system, 4 automatic bilge pumps in each hull, fuel cut off switches.

Seabra comes with all the required paperwork and specifications from the C2 classification.

Recent Upgrades

RECENT UPGRADES:

- Cruise RO Water maker 12/240 Volt 4.2ltrs/hr (reconditioned)
- Rigging: Standing rigging S/S David Lambourne (DEC 2022)
- RIB Dinghy Swift Marine 3.5m 5 chambers approved safety vessel to charter spec and Yamaha 25hp 4 stroke outboard (2022)
- 13.2kwh Lithium house battery bank (DEC 2022)
- 6 x 390-Watt bifacial (+20%) Phono Solar panel (DEC 2022)
- 6 x Victron MPPT Solar Controller w/Bluetooth (DEC 2022)
- Victron Multi plus 8000 Watt Inverter (DEC 2022)
- Sail Bag (2022)
- Rockford Fosgate surround sound system 2 x tower speakers, 2 8 inch, 2 6 x 9, 1 x subwoofer, 2 x 1500w amps, nema set up (DEC 2022)
- Copper Coat anti Foul (DEC 2022)
- New Auto Piolet control, Ram and ACU200 (2023) complete replacement kit also on board
- Raymarine Axiom Pro, wind vane, control, transducer, Camera, Lighthouse and maps.
- Genoa New and spare (2024)
- Spinnaker New (2024)
- Star link set up (2023) subscription not included.
- Engine refit with new pumps, Nylon mounts, Aluminum sumps, 1 x heat exchange, Serpentine Pulley kits.
- New Fridge 110ltr Domatic
- Parana under water lights RWB
- DC to DC converter 24-12v, 1 spare Victron
- Stedi Flood light and mast lights x 2, 1 lightbar marine grade
- Portable Projector and screen
- 2 x stainless steel gas bottles
- outside fridge Engle 60ltr
- 2 x new start battery's lithium
- new LED lights thru out vessel
- 3.0kg washing machine
- Sterling 12 to 24v DC to DC step up charger
- Sail Drive up grade Kits
- Fresh drinking water filter system
- Stainless steel folding props
- All new Ronstan stainless steel winches with stainless steel spring loaded tops.
- New fuel and water gauges and level indicators.
- New safety equipment, MOB , epirbs, Flairs, Lifecell and personal MOB. (2022)
- New Marine Radios fixed and handheld.
- Rocna 33kg Stainless steel anchor and new Galvanised chain 100m.
- Reconditioned injection pumps 2023.
- Reconditioned injectors 2023.
- Sthil pressure washer 1200psi
- Flexible retractable deck wash hose.
- Power outlets throughout boat 240v.
- chain plates mount and all deck fittings re sealed and holes filled with resin as from factory they were not resin filled 2022
- re paint engine bays and re wire and installed Led lights 2022
- new paint inside 2022

- Painted mast and front beam and boom
- re wired mast wires
- New ropes and pullies supplied as spares
- New skin fittings all over hulls
- New Shades and plastics
- New Mattress toppers

Electrical

Electrical:

Seabra is a 12-24 DC and 240v AC voltage boat. She has new 24v lithium house batteries which power the 8000-watt inverter which is well oversized and can weld off if required. The start batteries are lithium hybrid charged by each engine 80A alternators, including a separate battery charger if required. The Step-up DC to DC charger will keep the start batteries charged and charge the house batteries when required or running the engines. With her recently upgraded solar there has never been a time required for the generator, she can sit at anchor for months or more without running the generator for charging. (if using air conditioning this will change how much the Generator would be required).

- 4 x 3.3kwh lithium house battery bank (DEC 2022)
- 6 x 390 Watt bifacial (+20%) Phno Solar panel (Oct. 2022)
- 6 x Victron MPPT Solar Controller w/Bluetooth (Oct. 2022)
- Victron 24/8000 Quattro Inverter/Charger
- Victron 500 Watt Inverter
- Pure sign True Charge 3, 240 V 40 amp charger
- Honda 2 KW 240 V generator 2hrs as of Dec. 2022 (new in Jan 2021)
- LED Interior/Exterior lighting
- Interior LED indirect lighting
- Red lighting thru out and in cockpit and at nav station
- Front spotlight
- Dinghy boarding lights
- Underwater RWB lights
- Spreader lights
- Hot water system heated by engine or 240v push button control.
- Multiple 240 V power outlets inside and out.
- USB charging outlets.
- Mast lights.
- Muir Winch.
- Rockford fosgate surround sound system.
- 10 bilge pumps in hulls.
- Noark isolators DC.
- Victron color control and smart shunt Cerbo set up.

Galley

Galley:

Seabra has her galley down in the starboard hull. This allows for a great amount of workspace and with the open concept salon, lends to a sense of connection to the others areas of the boat while you are in the galley cooking, and also creates a large space in the salon area.

- 80ltr deep freezer. Built in.
- 2 burner broad water marine stovetop oven and grill

- 110ltr Domatic fridge new 2022.
- Large fridge Engle 60ltr 12/240v
- Large pantry space and lots of storage in hull
- Double sink (one large/one small)
- Medium southern stainless BBQ
- 2 x 5kg propane tanks Stainless steel New 2022.
- Air fryer
- Nutra bullet
- Cooking equipment
- Fresh water filter system

Plumbing

Plumbing:

With Seabra's ample freshwater tankage and Cruise RO water maker she can be off grid for months at a time. The huge water tanks can be independently filled from the water maker (as well as separate water fill inlets) and there is also an electric transfer between the two tanks.

- (2x) 400ltr fresh water tanks (with fool proof sight glasses and new gauges)
- (1x) 40ltr black water tank.
- Cruise RO Water water maker 4.2ltrs per min (new filters and spares)
- Tank transfer switch
- 3 showers 1 x 240 volt 40ltr hot water heaters (heat from house power, engine running)
- cold outdoor swim shower
- Salt water forward anchor/deck wash
- 1200psi Sthil pressure washer
- Rear Freshwater outlet
- Water tanks are clean and free of any paint (a common issue of paint peeling when they get to age)

Mechanical

Mechanical:

The engines on Seabra are located in their own spaces, forward of the aft lockers and out of the way of any salt spray Located under the aft berths. This space has full access to the water maker and great access to the steering and auto pilot. Each engine is also equipped with Baymar serpentine pulleys and belts, The engine bays have been fully done up with wiring, LED lights, and new paint. The engines have all new water and oil pumps, and the port has a new heat transfer.

The injector pumps and injectors have been reconditioned. The engines have had new aluminum sumps installed. Spare parts including oils filters, injection pump, starter motor water pumps and more.

Electronics

Electronics:

- Raymarine Axiom PRO Lighthouse Touchscreen on swivel bracket mounted at cockpit.
- Raymarine 4kw Radar
- Raymarine 650-AIS Receives and transmits
- Raymarine ECU auto piolet 2023
- Raymarine i70s Multifunction Instrument Display x 3 (2 x depth transducers)

- o Raymarine EV-400 Sail Evolution Autopilot w/control at helm.
- o Raymarine RS130 GPS antennae
- o Raymarine Camera
- o Raymarine windvane
- o Raymarine 2000kw transducer structure scan
- o All Raymarine controllable and viewable on Tablets via App when set up
- o Rockford Fosgate surround sound system 2 x tower speakers, 2 8 inch, 2 6 x 9, 1 x subwoofer, 2 x 1500w amps, nema set up to raymarine (DEC 2022)
- o AIS GPS antenna
- o (2x) handheld portable VHF's
- o Wired and cables run for Starlink (Antennae and Modem not included)
- o Mast mounted Radar / sail protector

Comfort

- o (5x) Caframo 12 volt 3 speed fans
- o Full-size foldable door or cockpit/salon door
- o (2x) Large forward opening hatches for excellent ventilation
- o Black shade screens for exterior windows new 2024
- o Eisenglass cockpit half enclosure (New 2023)
- o Aft cockpit shade enclosure
- o Cockpit cushions
- o Reversible helm seat, makes the perfect sun downer perch

Anchor and mooring gear

Anchor/Mooring Gear:

- o Rocna Vulcan 33 (33kg) stainless steel primary anchor with 100m chain with bump mount
- o 100m Rope for 2nd anchor or extension
- o 45 lb Secondary anchor on bow
- o Muir Cheetah 2500 electric windlass with rope gypsy. Controls on fore deck.
- o catamaran anchor bridle.
- o Fortress style 25 lb stern anchor w/25' chain and 100' line stored in aft locker
- o (10x) oversized dock lines, all 8-plait with spliced eyes and chafe gear.
- o (6x) fenders and covers
- o (1x) boat hooks

Sailing

Sailing:

- Seabra has a suite of three sails, accounting for all types of wind and sailing conditions. Most sailing is done with the cockpit overhead hatch open, with fantastic views of the sails and all four corners of the boat. When the weather is less than ideal the hatch can be closed up and the boat is controlled from the covered safety of the cockpit.
- o Fully battened Sails main sail, with lazy jacks and Mack Pack sail bag for easy drops and storage
 - o Profurl roller reefing head sail with Evolution Sails Genoa (new in 2024) and old is still in use.
 - o (5x)All NEW Ronstan s/s winches, all of which is 2 speed.
 - o North Sails symmetrical spinnaker new 2024
 - o Large stainless steel Edson ships wheel
 - o All rigging new 2022
 - o New roles of ropes on board.

Safety

- o Life Raft - 10-person Offshore

- o Lifecell kit with USCG Flares
- o 2 x PFDs and MOB
- o 406 Mhz EPIRB
- o MOB Throw lines and bouy
- o, MOB retrieval system mounted on aft rail
- o Fire extinguishers
- o (2x) Fire Blankets
- o (10x) Electric bilge pumps w/float switches. Auto or manual.
- o (2x) Smoke/CO detectors
- o (2x) separate CO detectors
- o 3000 Lumen handheld spotlight, USB chargeable
- o RIB 5 chamber

Other and exclusions

Others:

- o 1000's of dollars' worth of spares to list later.
- o (1x) SUP (new in 2022)
- o Assorted Fishing gear
- o Various long term storage areas in dry bilges, which accommodate full size storage bins (parts and stores)
- o Multi-function printer/scanner
- o Multiple step-down voltage transformers
- o Fishing rod/spear gun racks
- o Aft rail mounted fish cleaning table
- o surfboards
- o spare 5hp 2 stroke.
- o surfboards

Not Included:

- o Owners personal effects
- o Spear guns and personal diving gear
- o Starlink subscription
- o tools unless discussed

Sale information

Price point: AUD \$520,000.00, Australian registration

Money Spent of Seabra over the last 3 years has been over \$250,000.00 AUD receipts etc. will be supplied with sale.

Survey C2 documentation and history will be supplied with sale.

Delivery: Optional and to discuss.

Inclusions and exsolutions can be discussed.

Availability: March 2024.
