

**\$330,000.00**

## Specifications

## Construction

Year	2002
Make	Pelham
Model	41
Stock Number	10225

Hull Construction	GRP
Builder	Pelham Boats
Loa Approx	12.5
Beam Approx	4
Draft Approx	1.1
Hull Type	Mono
Transom	Walk Through

## Engine

## Tankage

Enginemade	Iveco
Engine Year	2005
Hours Approx	1200
Engine Fuel	Diesel
Drive System	Sternleg

Fuel Capacity Approx	800
Fuel Tank	Stainless Steel
Water Capacity Approx	800
Water Tank	Stainless Steel

## Interior

## Accessories

Berths	3 X Double And 3 X Single
Toilet	Electric With Holding Tank
Cooking	4 X Burner Hob And Oven, Microwave

Safety Equipment	Searchlight, 3 X Bilge Pumps, VHF, Lifejackets, First Aid Kit
Navigation Gear	Lowerance GPS / Plotter / Fishfinder,
Ground Tackle	CQR 50m Chain
Capstan	YES

## Pelham 41 2005 "Stella"

**Pelham 41 foot 2002 launch "Stella"** This Graham Pelham designed 41 foot vessel is a showcase for all those associated, with exposed timber panelling integrated alongside the plush furnishings, she will not disappoint the most discerning owner. Entry via the stern platform with twin doors allowing dinghy storage when not housed on the bow with the new deck crane. The well-designed cockpit gives way to the Galley and Saloon or up the stairs to the Flybridge and well laid out socially integrated helm. From the Saloon take the stairs down to the accommodation with the master cabin on port, head with separate shower cubical is on starboard, a vee berth forward plus 3 in the saloon, utilising the dropdown table and more in the flybridge if necessary. With her low hour Iveco 330hp turbo engine she cruises at 13kns and a powerful bow thruster provides manoeuvrability. Her well laid out engine room is a credit to the designers. She carries a full array of Lowrance electronics with new solar panels and new 440ah house batteries giving unlimited 12v power, powering her on-board fridge, led lighting, electronics and sound entertainment system. Stella has been maintained to very high standard allowing us to present this work of art in as-new condition, all that is required is to turn the key and enjoy.
