Spindrift 43, Offshore capable or Coastal live aboard Cruiser.

Spindrift 43 safe and sturdy with great living space. This professionally built from solid fibreglass vessel is maintained to an extremely high standard and has all the amenities for living aboard and coastal/blue water cruising. Entry aboard Eagle is via the port side leading into a well-appointed cockpit which doubles as a social area enclosed with dropdowns, making her great for winter living or summer entertaining. Below she has a double berth aft cabin there is a spacious main saloon with seating for six around the dining table providing another great social space. Moving forward there is a well-equipped galley with double sinks, gas oven and microwave. Further forward you are greeted by a double cabin and single berth forward, the head and shower are on starboard. She is powered by an 80hp Ford engine the engine room is spacious with great access around the engine again all engineering has been maintained to a high standard. Sails are all in good condition with the mainsail as new the same applies to the standing rigging. Eagle has teak decks which have been meticulously kept to ensure watertightness and looks. Due to the ongoing upkeep we are able to present this vessel in excellent condition, she must sell and is priced accordingly please call Alistair on 021 406 446 to arrange a viewing.
