SPORT S 288

The S 288 Sport is designed to have everything you need and nothing that you don't. The sport series styling continues with the S 288, including oversized fiberglass integrated hardtop and windshield system, updated classic sheerline, through-stem anchor system and integrated transom extensions. The console includes a fully enclosed head. On deck, plenty of seating with storage is available in the bow area and aft in the cockpit.

A wide-open cockpit features all of the fishing amenities needed, including a 24-gallon livewell, large in-floor fish boxes and plenty of storage.
