

d'Albora

Vessel Specification – 'Braveheart'

Description

The vessel's layout comprises two generous double cabins with ensuites coming off the aft staircase and an additional two cabins and crew quarters coming off the forward staircase. Combined there is accommodation for 9 guests in 4 cabins with crew quarters for 2-3. The main deck is the full width of the boat providing an exceptional sense of space and light to all areas on this level. These include the large galley, entry bar, huge dining area and aft lounge. Of course all of this connects to the main deck cockpit which has dining for 8 guests along with a day time bathroom to port. Accessible from the starboard side is the aft beach deck which is a special outdoor space at sea level with overhead awnings for shade.

The upper deck is accessible from internal or external staircases. The interior features the wheelhouse forward and a lounge aft with plenty of space, light and natural airflow. It opens out to the spacious aft deck which features a huge jacuzzi, sun lounges, seating and overhead awnings as well as the crane and jet skis.

Braveheart is powered by twin Volvo TAMD 71A 266kw shaft drive engines that provide a cruise of 8 to 10 knots and a top speed of 12 knots. Secondary equipment includes Wesmar RS120 stabilisers, dual generators, Wesmar hydraulic bow and stern thrusters, watermaker, flybridge crane, upper deck spa and more.

If you are looking for a highly capable and practical boat offering exceptional value, be sure to inspect Braveheart at your earliest convenience.

Highlights

- One owner for the last 25 years.
- History of continuous maintenance and upgrades.
- 2 x jet skis and a tender included with the vessel.
- Recently updated upholstery, aft clears, upper and lower deck awnings.
- Economical cruise of 70 litres per hour and range up to c. 1200 nm at 8-9 knots.
- High capable vessel that has travelled the East Coast, Coral Sea, PNG waterways.
