Antifouled and prop speed October 2023

Diver keeps hull clean and polished by crew regularly

Beautiful presentation

Video walkthrough filmed August 2024 available on Nautilus Yacht Management Youtube Channel

Available now.

Nautilus Yacht Management is proud to present to market this outstanding version of the highly sought-after **Fountaine Pajot Saba 50 Maestro Version**. This vessel was never chartered or used for commercial activities.

Her current owner purchased **Elena** when only 4 months old, with her furniture and equipment still wrapped in protective plastic. She presented an amazing opportunity to acquire a new vessel while skipping lengthy building queues.

From Florida, **Elena** embarked on a cruising sabbatical with a family with two young children, sailing to Singapore in 20 months, crossing the Panama Canal, Pacific Ocean, and sailing north via PNG and Thailand, a wonderful adventure exploring some of the world's most beautiful and untouched cruising destinations, which unfortunately had to come to a reluctant end due to work pressure.

Since **Elena's** arrival in Singapore in 2019, she has been used little and maintained religiously by her owner, a Norwegian national and ship captain who resides in Singapore, and a full time caretaker.

Elena is by far the best presented and equipped **Fountaine Pajot Saba 50** on the market today, one of the only Maestro version available in the world, and a rare opportunity to purchase a boat that was never in charter. Her only blemish is a UV damage to her Bimini at the helm, which has suffered from the relentless tropical sun. Her new owner may opt to replace with a more durable material if the boat is to stay in the tropics, such as a hard dodger. All her exterior and interior upholstery is in beautiful condition as always kept indoor and rarely used. Her sail cover is new. Her gel coat is in beautiful condition and there is no ding or damage anywhere. **Elena** has never been damaged by a hurricane or accident. Singapore is located in the intertropical zone, with no typhoon, and her berth at the luxurious **Republic of Singapore Yacht Club** is available to be passed on to her new owner if desired.

Elena is fully equipped and ready to be delivered to her new owner at the location of their choice at a moment's notice.

For a bit of info about **Nautilus Yacht Management**, we are a boutique-style brokerage devoted to high quality cruising yachts and to the international cruising community with over 14 years of experience representing yacht owners and buyers worldwide.

If you think **Elena** might be just what you have been looking for, please contact us. Our team can organise a private video viewing with you, help you with the logistics of inspection, survey and sea trial, and a thorough handover to ensure that you feel confident with your new yacht.

With a capped number of carefully curated listings, our team has all the time in the world to answer your questions. We also provide free-of-charge assistance with shipping, delivery, insurance, registration etc. NYM has a reputation to present to the market only quality cruising yachts in beautiful, turn-key condition, but our real trademark is to work as a team with you and the sellers to ensure a seamless, transparent and joyful experience.

Accommodations

The **Saba 50 Maestro** provides 4 cabins and 4 heads with the advantage of having a very large owner's suite. Each cabin is purposefully located far from each other. Privacy is the order of the day.

Owner's Suite

- Located from midship to stern. Port side
- Large stateroom with hallway, separate doors to the toilet and to the shower area
- Large vanity with mirror and storage
- Separate water closer with fresh water toilet
- Separate hot and cold full size shower. All top of the range stainless steel tap-ware in excellent condition.
- Electronic pad control for lights and mood lighting at the bed and in the entrance.
- Private temperature control for reverse-cycle air conditioning
- Multiple large cupboards / hanging lockers
- Long sideboard with double doors and two shelves with fiddles
- Large draw under the bed
- Desk area with lifting top and seat
- Smart TV
- Reading lights
- Small fan above deck
- Free standing de-humidifier (large unit)
- Panoramic window, aft windows and overhead hatch.
- Queen size island bed
- Light beech veneer and walnut floor in immaculate condition
- AC / DC (USB chargers) at desk and by the bed.

Guest cabin Port side:

- Queen size island bed facing panoramic window
- Reading lights
- Large draw under the bed
- Individual air conditioning and temperature control
- Headboard LED mood lighting
- Electronic lights control panel
- Large draw under bed and multiple cupboards / hanging lockers
- Private ensuite with head and semi-separate shower area. Fresh water electric toilet
- AC / DC (USB chargers)

Guest cabin Starboard side:

- Queen size island bed facing panoramic window
- Reading lights
- Large draw under the bed
- Individual air conditioning and temperature control
- Headboard LED mood lighting

- Electronic lights control panel
- Large draw under bed and multiple cupboards / hanging lockers
- Private ensuite with head and semi-separate shower area. Fresh water electric toilet
- AC / DC (USB chargers)

Guest cabin Port aft:

- Queen size island bed with adjacent panoramic window and large aft window
- Overhead opening hatch
- Reading lights
- Large draw under the bed
- Individual air conditioning and temperature control
- Headboard LED mood lighting
- Electronic lights control panel
- Large draw under bed and multiple cupboards / hanging lockers
- Private ensuite with head and semi-separate shower area. Fresh water electric toilet
- AC / DC (USB chargers)

Guest cabin forward Starboard:

- Queen size island bed facing panoramic window
- Reading lights
- Large draw under the bed
- Individual air conditioning and temperature control
- Headboard LED mood lighting
- Electronic lights control panel
- Large draw under bed and multiple cupboards / hanging lockers
- Private ensuite with head and semi-separate shower area. Fresh water electric toilet
- AC / DC (USB chargers)
- Door to 5th or crew cabin (not outfitted. Used for storage).

All cabins are equipped with Carbon Monoxide sensors.

Salon

Open plan salon with panoramic windows on all sides

- Toffee leather L shape lounge, walnut floor and light beech veneer in immaculate condition.
- Coffee table
- Mood lighting with multiple options, strip lighting, overhead, ect with electronic pad control (no ugly switches)
- Curtains for all panoramic windows
- Overhead opening hatch and two large overhead windows with blind
- Smart TV
- Bose speakers indoor and outdoor package
- Abundant. storage in cupboards and underfloor
- 2 X air conditioning units with temperature control
- Batteries charge controller
- Spectra watermaker control
- Large top quality sliding doors to open up living area from cockpit to salon

Nav table

- Victron power controller
- Tank monitor for water, fuel and black water
- VHF radio with DSC
- HF radio
- Iridium Pilot satellite phone
- AC / DC outlet and USB chargers
- Desk light
- Chart table with lifting top for storage

Galley

The galley is extremely large and designed around a kitchen island:

- Abundant storage
- Double draw stainless steel fridge with independent temperature control.
- Separate front opening stainless steel freezer with 2 draws and shelves (120L)
- Deep double sink with drying board
- 4 burners LPG stove
- Built-in oven / grill

Cockpit

The cockpit provides a large sitting / dining area and allows easy flow to the salon. The sliding bay windows open in full to transform this indoor and outdoor living space, perfect for entertaining even a large group of guests.

- Beautifully varnished solid timber table
- Luxurious Sunbrella upholstery with seats and soft cushions in beautiful condition
- Ice maker (new)
- Cockpit fridge
- Hard top and Sunbrella Bimini for aft lounge
- Mood lighting, courtesy lights and overhead lights
- Flexiteak floor in beautiful condition
- Varnished teak steps to helm area
- Davits with electric control suitable for tender up to 500KG (can accommodate centre-console dinghy with large outboard)
- Ample storage beneath seats with separate LPG locker

Helm Station

The location of the helm was a closing point for the owners. With a young family, the remoteness of a flybridge was not suitable. The Saba 50 offers a wonderful helm station which is high enough to provide excellent visibility and safe access to control without being in the way of the guests, while at the same time being close enough to the cockpit and to family and guests both below and above on the sundeck. Not having a flybridge also means cleaner lines, a bigger sail plan and better performance, while providing the innovative layout plan of the sundeck and sun lounge.

- Large helm seat can accommodate 3 people
- Stainless steel steering wheel
- Raymarine plotter interfaced with all instruments, radar, AIS, ect. Multiple screen configuration. Connects via WIFI to tablets or smart phones to repeat information throughout the boat.
- Raymarine autopilot
- Raymarine depth and wind
- Double gear control (analogue)
- Volvo engine controls
- High water bilge alarms
- Windlass control and chain counter
- Electric primary winch
- Double rope clutches (labelled)
- Dyneema sheets and halyards in good condition. (Main sail halyard new 11mm Dyneema)

Sun Lounge & Sun Deck

Large lounge area two steps up from helm station, opening on the sun deck.

- Sunbrella seat upholstery and soft cushion in excellent condition
- Large sun beds with deck attachment
- Stainless steel safety rails
- Courtesy lights

Foredeck

The innovative foredeck reduces the trampoline area, which has little use, while preserving the light weight forward.

- Two trampolines with GRP catwalk centre
- Access to large bow locker on port side
- Access to crew cabin or very large bow locker on starboard side. Also accessible via inside door through forward guest cabin. Currently un-fitted as crew cabin and just used for storage.
- Double sun lounge with Sunbrella upholstery in excellent condition. Always kept inside when not in use.
- Large central lockers
- Anchor chain locker with access to windlass and drop down down chain. Well- protected winch remote.
- New anchor locker hard cover

Engine / Machinery

- Volvo Penta 75HP D2 Diesel engines with estimated 1000 hours on starboard engine and 20 hours on port engine
- Volvo sail drives with new top and bottom seals
- Volvo 3 blades bronze props
- Propsspeed October 2023
- Onan Cummins 11Kva diesel generator (1203 hours). Excellent condition, located in port engine room for quiet use.
- Engines and generator just serviced
- Large engine rooms, clean and dry, with alloy step for each access

Electrics

- 220V and 110V
- Shore power plug will suit both
- Power Hero step up - step down voltage converter
- 3000 W Magma Sinewave inverter
- 2 X Solarboost solar controller / charger with 4 separate protection fuses (one for each panel.
- 4 X 100w solar panels
- 8 AGM house batteries plus 2 start batteries
- 2 x 115A/12V engine alternators
- Separate circuit breakers for house, motors and windlass
- Separate control panels in salon for AC and DC distribution. Well labelled.

Electronics

Raymarine electronic package including

- Chartplotter with WIFI capability to connect to tablets and smart phones
- Navionics charts
- Depth, wind, temperature
- Raymarine 4 miles radar
- Raymarine autopilot
- AIS
- Iridium Pilot Satellite phone
- VHF and HF radios

Comfort

- 65l / hour Spectra watermaker
- 7 kg washing machine
- Hot and cold cockpit shower
- Electric davits
- 6 reverse cycle air-conditioning units with individual controls
- Bauer Junior scuba diving air compressor in excellent condition
- Spares and tools
- 2 X Smart TVs, one in salon and one in master suite
- Bose speakers inside and out
- Hot water: One water heater electric and heat recovery from the port engine

Anchoring

- QUICK 1100w windlass
- Windlass remote control and helm control
- Chain counter
- 100m chain
- 35kg Rocna anchor on roller
- Spare plough anchor
- Fortress third anchor (never used)
- Anchor / mooring bridle

Rigging

- Anodised aluminium mast and boom
- Standing rigging 2017
- Running rigging in excellent condition
- Bowsprit

Sails

- Full batten main sail and Genoa. Used for only 20 months.
- Doyle screecher (new). On furler.

Safety

- 6 electric / automatic bilge pumps with high bilge alarms
- Manual bilge pump with wandering hose
- 10 person liferaft in quick-release space in cockpit (needs service)
- Epirb with GPS
- Automatic fire extinguishers in both engine rooms
- Gas solenoid
- All cabins are equipped with Carbon Monoxide sensors
- 8 life jackets

Dinghy

12' AB aluminium RIB
20HP Yamaha outboard

Deficiencies

Helm station Bimini is sun damaged, as are surrounding weather protection covers.
Raymarine chart plotter works fine but touch screen no longer active. Toggle use instead.
