Vessel Specification – 'Hermosa Vida'

Description

'Hermosa Vida' is a truly impressive example of the popular Riviera 37 flybridge and her current condition will suit a fastidious buyer looking for a turnkey boat ready for Spring cruising.

The Riviera 37 Flybridge is a great allrounder being well suited to day boating and short trips away. With accommodation for 4 to 5, the sleeping comprises 2 cabin with a double mast forward, twin bunk cabin to starboard and a pull-out couch bed in the salon. Adjoining the accommodation companionway is a bathroom and galley.

The main salon is open plan with seating on both sides of the vessel and there is a dining table to starboard. This space also has full audio visual and interfaces very well with the cockpit when the salon door and window are open.

The signature open-style cockpit is highly versatile and this owner keep some deck chairs and a table onboard which are brought out as required. Amenities in this area include a stainless bbq and a fridge box.

The flybridge is a great space and with the clears, carpet and upholstery being in such good condition this upper deck is a great space to enjoy.

On the bow there is a Davco crane and 3.3 BRIG tender with a 20hp Honda outboard.

The last anti-foul was completed in January 2024 and her annual mechanical servicing June 2024. Cooling system was serviced in 2022.

Please contact us today to arrange an inspection in Point Piper.

Highlights

General highlights

- The larger Cummins twin diesel shaft drive diesel engines both 370hp with electronic controls.
- Insurance survey available from April 2024.
- Extensive service history available.
- Bow and stern thrusters for easy manoeuvring.
- Upholstery, clears, carpets, teak, structure in excellent condition.
