BALI 4.4 CATAMARAN INNOVATIONS

The Bali 4.4 brings all the trademark innovation expected from the current range Bali:

- rigid forward deck with expansive lounge and sunbathing areas
- platform connecting the transoms with large bench seat and lockers
- large 'BALI' door that creates indoor/outdoor living at the touch of a button and sliding side windows.
- a convenient access door to the forward cockpit
- a flybridge with a significantly lowered boom, a bigger rig and a helm station that offers a panoramic relaxation area on the coach-roof accessible from both sides.
- The trademark Bali door at the stern and the door providing access to the solid foredeck at the front offers more than 90 M2 of usable space on the main deck.
- There are 3 cabins all air conditioned with the master on the port side offering sumptuous accommodation.
- The engines have been upgraded to 65 HP Yanmar and the yacht makes its own water and electricity.

Bali 4.4 Layout:

TECHNICAL SPECIFICATIONS

The Bali 4.4 has become the benchmark in the 45 ft category of cruising catamarans.

GENERAL
