Vessel Specification – 2017 Princess V39

Description

When it comes to a 40 foot sports cruiser the Princess V39 is surely the top choice for buyers seeking pedigree, high-end finish and fixtures and great seakeeping and performance. Most importantly, this particular V39 ticks all the boxes boasting a huge option list, low hours, turnkey condition and an exceptional maintenance history.

The Princess V39 is both a fantastic day boat as well as a weekender because of the generous accommodation and options. She features 2 spacious cabins and one bathroom and the feeling of space and luxury down below is quite obvious compared to her peers. What sets the V39 apart are the amenities such as the galley, salon dinette and equipment such as the watermaker, generator, bar and air conditioning so she can be stayed on in complete comfort.

Operation of the V39 is made easy by the Volvo joystick controls and the Side Power bow thruster. Performance is impressive with a cruiser around 25 knots and a top speed of around 37-39 knots and you'll find her sea keeping is class leading meaning she is great in most conditions.

This Princess V39 is available for viewings by appointment in Sandringham Yacht Club Victoria.
