...bringing back **50 years** of quality boat building

# **R560 X-RIDER** **Revival** BOATS

**No matter what's on your family's boating agenda, the new R560 X-Rider delivers**

**The new R560 X-Rider borrows its hull from the mighty R580 and infuses it with a DNA that's all its own. Building on the bowrider concept, the twin console X-Rider distills the essence of a family day boat and stirs in equal parts ski boat and sportfisher for the ultimate boating cocktail.**

Handcrafted for adventurous families who like to keep their options open, the all new R560 X-Rider boasts a versatile cockpit that no 19-foot sterndrive can match. Designed to unleash the potential of the latest FourStroke or Direct Injection 2-Stroke outboards in the 115 - 150hp range, the R560 X-Rider's purposeful stance really delivers out on the water where it counts. Revival's signature 21 degree deadrise parts the chop while the broad reverse chines keep things nice and level. Regardless of whether you're towing a brood of giggling teens or parked up on you favourite stretch of beach, the R560 X-Rider is happy to oblige. If your fishing itch needs scratching, a range of angling accessories can be optioned at any time.

Revival Boats was founded upon a desire to create **versatile hulls** that responded to the needs of **Aussie boating families**.

All **Revival hulls** are **meticulously handcrafted** by a talented team overseen by one of **Australia's most respected boat builders**.

Every **Revival** presents **outstanding value** without sacrificing on quality or service and is backed by a **10 Year structural warranty**.

DISCLAIMER: The standard specification and inclusions of respective OffShore and WeekEnd editions have been carefully packaged by Revival Boats and cannot be varied. Should you wish to create your own unique Revival package, your dealer will work with you to customise the standard SportZ edition with your choice of options and accessories to suit your requirements. Revival Boats Dealers may also stock their own variants which differ to the factory standard specification. Please confirm prior to purchase.
